TOA Corporation

Open Source Software License List

Product

TS-D1000-MU

This list is for informative purposes only.

In no event shall TOA be liable for the quality of each Open Source Software (OSS) package.

Whether explicit or implied, TOA shall offer no guarantees regarding each OSS package.

The product includes software licensed under the licensed below.
For the license agreements below, refer to the attached files.

*The source codes of part of the listed software packages are attached for disclosure as required by GNU General Public License (GPL) or GNU Lesser General Public License (LGPL).
*We cannot answer any question relating to the contents of the source codes.

No	Package Name	License	Modification	Modified Date
1	babel-polyfill	MIT	no	-
