

DESCRIPTION

The C-BC511C-S is a camera installation cover designed solely for mounting TOA's Combination cameras. The cover is used when mounting the Combination camera directly to a ceiling or wall or suspending it from the ceiling. The cover is used to make it difficult for individuals to see the camera's orientation.

SPECIFICATIONS

Transmissivity	Approx. 20% *
Finish	Case: PC/ABS resin, cool gray Dome cover: Acrylic resin, smoked
Dimensions	Ø168 × 182.2 (H) mm (dome external diameter: Ø125 mm)
Weight	220 g

* As a general guideline, the minimum object illumination of the camera equipped with the Ceiling Mount Cover is approximately 5 times that of the camera without the cover.

Note: Be careful when installing the camera with this cover in low illumination location as the cover may cause camera sensitivity to decrease.
