

MICROPHONE STAND

ST-304A

Thank you for purchasing TOA's Microphone Stand.

Please carefully follow the instructions in this manual to ensure long, trouble-free use of your equipment.

1. SAFETY PRECAUTIONS

- Before installation or use, be sure to carefully read all the instructions in this section for correct and safe operation.
- Be sure to follow all the precautionary instructions in this section, which contain important warnings and/or cautions regarding safety.
- After reading, keep this manual handy for future reference.

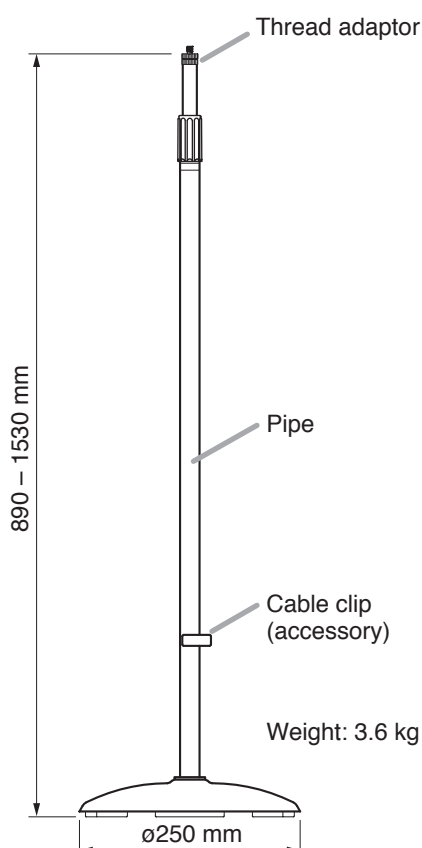

CAUTION

Indicates a potentially hazardous situation which, if mishandled, could result in moderate or minor personal injury, and/or property damage.

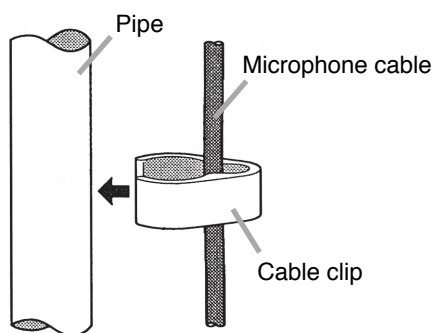

- Avoid installing the stand in the following locations.
Otherwise, the stand may fall, resulting in personal injury.
 - Doorway or other high traffic area where people may trip on the stand.
 - Unstable locations, such as on a rickety table or a slanted surface.
 - Locations where the unit is exposed to a strong wind.

Important: Even in locations other than the above, if the stand may fall down, take appropriate fall preventive measures.

2. NOMENCLATURE

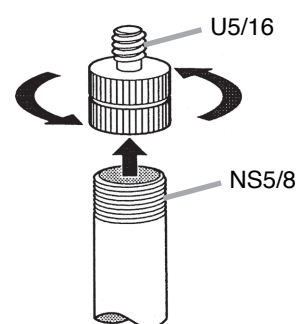

3. HOW TO USE A CABLE CLIP

After putting a microphone cable in the supplied cable clip, attach the clip to the pipe.

4. ABOUT A THREAD ADAPTOR

Removing a thread adaptor (U5/16) permits installation of a NS5/8 microphone holder.
