

DESCRIPTION

The Q-C-BC511E Pendant Adapter is the dedicated extension unit for the C-CC514, C-CC564 or C-CC574 Combination Camera, or the N-CC2564 Network Combination Dome Camera. It helps to extend suspension distance from the ceiling with the use of the 1.5" NPT pipe in combination with the C-BC511C or C-BC511C-S Ceiling Mounting Cover and PAB05F Pipe Adapter.
